viral hepatitis & sexual health workforce

HIV s100 Peer Support and Case Discussion Session

Date: Wednesday 25 October 2023

Time: 7:00pm – 8:00pm (AEDT)

Virtual Attendance: Online – Zoom

ASHM's HIV s100 Peer Support and Case Discussion Series aims to support newly accredited, rural and remote, and low case-load HIV s100 prescribers.

Target Audience: Newly accredited, rural and remote, and low case-load HIV s100 prescribers across Australia.

Speakers:

Dr. Samuel Elliot (specialist General Practitioner, Riverside Medical Centre) and **Dr Hardeep Kang** (Senior Staff Specialist Sexual Health, Cairns Sexual Health Service) will be presenting cases from their own clinical practice and answering participant questions.

This session will provide an opportunity for prescribers to participate in case discussions, ask questions, seek advice, and network with other prescribers.

For further details or assistance contact:

Elaine Turner – Project Support Officer

M: 0478 024 539

E: elaine.turner@ashm.org.au

HIV s100 prescribers will receive 1 HIV CPD point for attending the full session. A statement of attendance will also be available.

This event is sponsored by an unconditional education grant from Gilead.

This course is free to attend for professions aligned with the target audience.
