Developing a sustainable HIV,  
viral hepatitis & sexual health workforce

## Hepatitis C for Aboriginal and Torres Strait Islander Health Workers and Health Practitioners

**Zoom workshop to support the liver health of your clients**

**Date:** Friday, 12 November 2021

**Time:**

- 7:00am – 10:30am AWST (WA)
- 8:30am – 12:00pm ACST (NT)
- 9:00am – 12:30pm AEST (QLD)
- 9:30am – 1:00pm ACDT (SA)
- 10:00am – 1:30pm AEDT (NSW, ACT, VIC, TAS)

Aboriginal and Torres Strait Islander Health Workers (A&TSIHWs) and Aboriginal and Torres Strait Islander Health Practitioners (A&TSIHPs) are crucial in the elimination of hepatitis C.

Join us for this free online workshop to yarn about hepatitis C with your colleagues. The course aims to provide A&TSIHWs and A&TSIHPs with practical skills and knowledge in hepatitis C diagnosis and care to support their clients and communities.

The sessions will be run via Zoom and will include a mix of presentation, case studies, and discussion. Participants are encouraged to ask questions and share their stories throughout.

### Learning Outcomes

- Recognise that hepatitis C can be cured, and treatment is easy
- Identify referral pathways for linking people to hep C testing and treatment
- Identify the role of the A&TSIH/HP in hepatitis C testing, treatment, and follow-up

**Participants who attend both sessions will receive a \$50 voucher for the [Clothing the Gaps Foundation](#).**

**[Click here to register](#)**

OR register by emailing back a copy of the registration form on the next page
