World Pride Sexual Health Update: Spotlight on Gay, Bi and Queer Men

ASHM's World Pride Sexual Health Update will update GPs and practice nurses on HIV and Syphilis prior to Sydney World Pride 2023.

Tuesday 07 February 2023, 6:30pm – 9:00pm AEDT

Venue: Novotel Sydney Brighton Beach

This session will cover topics relevant to the sexual health of gay, bi and queer men, including HIV and Syphilis testing, PEP and PrEP, GP support systems for positive results, and the availability of sexual health services and PEP and PrEP before, during and after World Pride.

Presenter: TBC

Target Audience: GPs and practice nurses practicing in the Sutherland Shire and St George / Hurstville areas

Learning Outcomes:

- Describe HIV epidemiology in Australia and the different HIV prevention strategies
- Discuss indications for HIV and STI testing and the different types of tests
- Explain the importance of screening and testing for HIV, syphilis, and other STIs.
- Demonstrate confidence in discussing sexual health with patients
- Compare the effectiveness and appropriate use of PrEP and PEP
- Implement the PrEP decision making tool to manage patients on PrEP
