Re: New agency announcement (Manitoba, Saskatchewan & Thunder Bay)

Legrand Canada is pleased to announce the appointment of Jebco Agencies Inc. as the new adorne, OnQ, and Pass & Seymour agent for Manitoba, Saskatchewan, and Thunder Bay for the Electrical Distribution Channel, effective January 1st, 2023.

For over 20 Years Jebco has represented Wiremold and Cablofil in the Manitoba, Saskatchewan, and Thunder Bay territories, providing exceptional Specification, Distributor, and Project support. The addition of the adorne, OnQ, and Pass & Seymour product lines reinforce our EWS model (Electrical Wiring Systems – Wiremold/Cablofil/Pass & Seymour/OnQ/adorne) that focuses on one Agent partner driving demand and growth for our entire suite of leading product brands under EWS.

Please join me in welcoming Dave Kelly and his team onboard supporting these additional product lines.

I would also like to thank Synergy Sales Inc. for their many years of support on adorne, OnQ, and Pass & Seymour, in Saskatchewan as well as Edge Electrical Marketing Inc. for their many years of support in Manitoba and Thunder Bay.

Regards,
