For Immediate Release:

SurgePure Corporation Expands into the Mid-West with New Representation Partner, Advance Electrical Agency

SurgePure Corporation, a leading manufacturer of industrial-grade surge protection devices, is proud to announce its new partnership with **Advance Electrical Agency**, who will represent the company across **Saskatchewan, Manitoba, and Western Ontario**.

Led by principals **Darren Churchwell** and **Bob Fiesel**, the Advance team is part of a well-established agency known for representing some of the most respected manufacturers in the electrical industry. Their deep-rooted relationships with electrical engineers and their ability to manage projects from design through to completion make them a natural fit for SurgePure's high standards and technical approach.

This strategic partnership strengthens SurgePure's presence in the Mid-West and is expected to drive meaningful growth as the company continues expanding across Canada.

Thank you,

Douglas Piebiak | CEO
