

August 21, 2023

Dear Valued Customer,

It is with pleasure that EGLO Canada announces the nomination of AMG Baytech as our representation in the specification market as well as electrical distributor channel for the East of the GTA area to Napanee and North market.

Covering various interveners within the lighting industry including the specification market (engineers, architects and designers), electrical distributors, contractors, builders, and developers, AMG Baytech is committed to providing our customers with creative lighting solutions, unparalleled service, and the highest levels of technical support.

AMG Baytech is the ideal partner to strategically position EGLO Canada in the new construction and retrofit multi-residential, and hospitality market as well as to support the EGLO brand in the commercial decorative lighting market.

Please continue to send all quote requests to quotations@eglo.com while copying AMG Baytech.

Thank you,

Denise Rumsey

Regional Sales Manager, Central Canada
