

## Electro-Federation Canada (EFC) and Ouellet Canada scholarship

Ouellet Canada is delighted to announce that the scholarship offered by Electro-Federation Canada in partnership with Ouellet Canada has been awarded to **Ms. Kim Leboeuf**, a student at Université de Sherbrooke.

For the last four years, Ouellet has contributed to this scholarship program, which aims to support a university or college student with their education and help them fulfill their career goals.

A cheque for **\$3,500** was given to Kim Leboeuf on October 27 at Dettson Industries in Sherbrooke, a subsidiary of the Ouellet Group.

Congratulations to Kim!
