

Magazine Announcement:

SURGEPURE CORPORATION, a manufacturer of non-degrading hi-energy surge protection devices, announces a strategic partnership with **Focus Electrical Sales**.

Based in the Maritimes, Focus Electrical Sales represents leading edge lighting and electrical manufacturers in North America. Focus adds extensive local application and technical support with offices in Nova Scotia, New Brunswick and Newfoundland, and is celebrating 30 years in business in 2024. Their team has decades of experience and uses this knowledge to provide solutions to engineers as well as end-users.

SurgePure has been providing industrial surge protection in North America since 1974. The collaboration between SurgePure and Focus will accelerate business growth while helping clients make informed decisions.
