

Press Release

Leviton Canada Announces a Strategic Role Change for Jason Denstedt to Help Drive Industry Growth

POINTE-CLAIRE, QC, January 29, 2024 – Leviton Canada proudly announces strategic role change for Jason Denstedt aimed at expanding our industry presence.

Since May 2023, **Jason Denstedt** has demonstrated exceptional leadership as the Sales Director, elevating the Ontario region. Leveraging his professionalism, drive, and sales expertise, we are excited to announce that, in addition to his Sales Director role in Ontario, Jason will also lead our National Accounts team.

With a wealth of experience and a robust network, Jason's knowledge of and past focus on national accounts positions him as an invaluable asset. We are confident that his leadership will have a significant impact on our national accounts' initiatives. Jason will lead and mentor the National Accounts team while fostering strong relationships with both existing and new accounts.

We eagerly anticipate the successes that Jason will bring to this enhanced role, contributing to the continued growth and success of Leviton Canada.

About Leviton

Every day, Leviton is engineering possibilities that make the future happen, meeting the needs of today's residential, commercial, and industrial customers globally. From electrical, to lighting, to data networks, and energy management, Leviton develops thoughtful solutions that help make its customers' lives easier, safer, more efficient and more productive. Driven by its commitment to its customers, the ingenuity of its employees and the safety and quality of its products and solutions, with Leviton, the **FUTURE IS ON**.
