For Immediate Release

**Raymond Taza accepts position of Technical Sales Representative
Eaton B-Line and Crouse-Hinds Series**

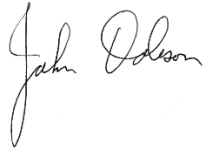

We are very pleased to welcome **Raymond Taza** to the Eaton Global Energy Infrastructure Solutions business as Technical Sales Representative covering the province of Quebec. Raymond will report directly to John Dobson Regional VP, and will be based in LaSalle (Montreal), Quebec.

In this role, Raymond will be responsible for driving Division & Corporate goals of growth and profitability through planning, developing, and executing the Eaton Crouse-Hinds and B-Line sales and marketing efforts. Raymond's main focus will be securing a strong specification position with EPC's and driving our project pursuit opportunities through the sales channel in conjunction with our Quebec agent EDP.

Most recently, Raymond served as Technical Account Executive for a company outside of Eaton. Raymond has a very strong technical aptitude and a good track record in getting results thus making him a great fit for the role and an exciting addition to our GEIS Sales team

Raymond holds a Bachelor's Degree in Mechanical Engineering from Concordia University and is a Professional Engineer. He speaks French and English fluently.

We are very excited to have Raymond join us. Please join us in congratulating Raymond on his new position.

A handwritten signature in black ink that reads "John Dobson". The signature is written in a cursive style with a large, looped initial "J".

John Dobson

Regional Vice President, Eastern Canada

Eaton Crouse-Hinds/B-Line
