

# EXCITING NEWS UPDATES FROM WESTBURNE

## RICK DI DANIELI – DIRECTOR, INDUSTRIAL SOLUTIONS

I am pleased to announce the appointment of **Rick Di Danieli** to the role of ***Director, Industrial Solutions*** effective January 4, 2021.

In this role, Rick will report to me and will be responsible for strategic direction and execution within the process and services space across Canada.

A long standing Westburne partner and friend, Rick brings a wealth of industry and leadership experience, acquired in a 34-year career with Rockwell Automation. During that time he progressed through many leadership roles across North America, most recently as Regional Director Oil & Gas for North America. Based in Calgary, Rick holds a Bachelor's Degree in Electrical Controls from Ryerson University and is a graduate of the Rockwell Automation Leadership Institute.

We look forward to Rick joining the Westburne leadership team!
