

Georgia Society of Volunteer & Retail Professionals

GSVRP Wyn Award

The Wyn Award is presented to a member of GSVRP who is determined by the GSVRP Leadership Team to be worthy of the award. In 1981, Wyn Zeh, a charter member of GSDVS and first President of the society, was the first recipient of this prestigious award.

This award is not necessarily given every year, but is presented to someone who has made an exceptional contribution to the society. Nominations may come from the membership, although the final selection is made by the GSVRP Leadership Team. If there is a member who you think should be considered for this prestigious award, please complete and return the attached application. Former winners are no longer excluded.

To qualify, the person must meet the following criteria:

- Minimum service of two years on the GSVRP (formerly GSDVS) Leadership Team
- Promotes the mission and vision of GSVRP
- Has made notable contributions to the growth and development of the society
- Projects the image of a professional director/manager/coordinator of volunteers
- Has served as a mentor to peers

Nominations can be made electronically using the attached format. Qualifications of all nominees will be verified.
