CHAPTER 360-5

PHYSICIAN'S ASSISTANTS

TABLE OF CONTENTS

Rule 360-5-0.15-.10 "Emergencies"

Rule 360-5-0.15-.10 "Emergencies"

In a state of an emergency or a public health emergency, as declared by the Governor of the State of Georgia physician assistant may provide medical care with such supervision as is available at the immediate or local scene where a need for medical care exists or at a relief site established as part of a state or local safety plan pursuant to Chapter 3 of Title 38. Provided:

- (a) The physician assistant must hold a license, certification or authorization in good standing from any state or federal jurisdiction.
- (b) Services shall be provided in response to an appropriate state or local official who is implementing a state or local emergency management plan or program.
- (c) Practice under such guidelines, shall only be effective for the duration of the public health emergency, unless the Board establishes further supervision guidelines for physician assistants providing care under these circumstances.

Authority O.C.G.A. §§ 43-1C-3, 43-1-19, 43-34-5(c), 43-34-8(a), 50-13-4(b)
