

### Region C Coalition Welcomes Brenda Shields

District 4 Public Health and the Region C Healthcare Coalition welcome Brenda Shields as the new Coalition Facilitator. Brenda was previously at the Fulton County Board of Health where she started as a Hospital Liaison in the TB department. Later she became the Disease Intervention Specialist/Communicable Disease Specialist 2 for the STD/HIV Department. When Covid 19 hit, Brenda began working with EP/EM and she set up most of the Fulton County testing sites. Brenda was also part of the first Strike Team established by Fulton. Brenda's last position was Deputy Director at GICC and Director at the South Fulton Annex Vaccination sites. She can be reached at 706-302-2531 or [brenda.shields@dph.ga.gov](mailto:brenda.shields@dph.ga.gov).
