

FREE Summer Digital Access

Welcome to JLG Digital's Free Summer Access! There are a few different ways to provide users access to your digital library. See the below instructions on how to get users logged in and reading all summer long.

1

Users can go to <https://jlg.ipublishcentral.com> on their preferred web browser. There, they will type in the Summer Digital username / password for the appropriate grade level:

Elementary: Summer21/ Summer21

Middle: SummerMS/ SummerMS

High: SummerHS/ SummerHS

You can create a clickable link or icon on your website that will automatically log users into the Summer Digital account of your choice. Here are the URLs you'll want to use:

E: <http://jlg.ipublishcentral.com/r?bookshelf=A9Rnsywi9egmN5qCt%2FF5xqaS5dERD3nFkYd9H96QIYw%3D>

M: <http://jlg.ipublishcentral.com/r?bookshelf=%2FDNme33K0ISA3m%2BVLvgRaGqw%2FwP93zc3Lt9kJ1nrak%3D>

H: <http://jlg.ipublishcentral.com/r?bookshelf=XAi076d9GrRrT3GqtAvKRPgRoVRot%2Fm1L8xOTYZAgsg%3D>

* These URLs must be clicked on exactly as they appear here – they cannot be shortened, nor can they be Favorited or Bookmarked. Feel free to share these URLs in any way that works best for you.

Users can also download the **JLG Digital app** FREE on both the Apple App and Google Play Store. To login, users will enter the Summer Digital username and password for the appropriate grade level, then tap Sign In. A popup will appear – users should tap OK, and the digital bookshelf will load. The app will remember the login credentials so that users do not have to log in every time they access the app.

*iOS App Compatibility: iPhone, iPad, and iPad Touch with iOS 8.0 or later

**Android App Compatibility: mobile devices with Android 5.0 and up, and Google Chromebook
