

Coming to Regional Victoria!

Automotive Electric Vehicle Training Stage 1 – Safety

Electric vehicle safety course

VACC is offering a course in depowering and reinitialising battery electric vehicles. Completing this first stage will provide the necessary training to allow individuals to access repair information relating to high voltage automotive systems.

Participants will learn how to safely depower the vehicle's high voltage rechargeable energy storage system (RESS) and separated extra low voltage (SELV) system and to reinitialise the RESS and SELV, confirming correct vehicle operation.

This course is for those working in the automotive industry, including service and repair sector workers, towing operators and dismantlers of EVs.

Locations: Mildura & Swan Hill

Duration: One day

Schedule: September 2023

Cost: VACC members: \$765
Non-VACC members \$1260

If you have any questions, call
Skills Development Centre on 03 9829 1114

Each participating VACC member business receives a free safety glove kit.

Enrolments cannot be accepted without payment. This document becomes a tax invoice when fully completed and you make a payment. GST is not payable for this course. ABN 63 009 478 209. Office use only: acc no. 5612-42.

Book now – limited class size

Course must meet minimum participant numbers required before it will run.

COURSE INFORMATION

Enrolments

Applicants will receive enrolment confirmation approximately one week prior to commencement of course.

Refund policy

If you cancel your registration seven or more working days before the event, we will refund 100 per cent of the fees paid. For cancellations made less than seven working days before the event, no refund will be made. Registrations may be transferable at any time to another person within your organisation at no charge. VACC reserves the right to cancel or postpone courses and move registrations to other dates and times. Course costs may be subject to change.

Privacy information

VACC respects the privacy of individuals and acknowledges that the information you provide on this form is personal information as defined by the Privacy Act 1988. The information is being collected for the purposes of processing registration. The intended recipients of the information are the VACC and the service providers engaged by VACC. The provision of this information is voluntary, but if it is not provided VACC may be unable to process your registration.

Unique Student Identifier

If not already held, participants must apply for a Unique Student Identification number (USI). This is a government requirement for all students, and it is not possible to enrol unless the number has been provided.

To apply, go to the website usi.gov.au/students and click 'Create USI'. You will need a driver licence or Medicare card to complete this task. If you already have a USI, then simply provide the number to the TAFE. If you have forgotten, then you can recover the number via the same website.
